

Mission:

To create opportunities for Appalachian Ohio's citizens and communities by inspiring and supporting philanthropy.

Since 2010, FAO has awarded more than 2,850 scholarships. Every recipient has a story. Here's one.

Terry and Susie Conner sought to honor their beloved teacher, Lee Beckett. They established the Lee Beckett Legacy Scholarship Fund to support graduates of the district where Lee first inspired them, now Nelsonville-York.

2013 scholarship recipient, Alicia Carter, recently returned to Nelsonville-York as an educator to continue Lee's legacy of inspiring students. Read more at: www.AppalachianOhio.org/2019Report.

Opening doors of opportunity for the Children of Appalachia

The Ohio Legislature invested in FAO to match donor investments.

From July 2019 through June 2020:

12,400

donors gave and had their gifts matched

\$5.6 million

was raised to match the State's investment

49

new funds were created

61

nonprofits grew endowments

12

communities grew grantmaking funds, including the new Highland County Community Fund

Three examples of what the match made possible:

The Joe Burrow Hunger Relief Fund was created to support the Athens County Food Pantry, building upon the generosity Joe Burrow inspired during his Heisman speech.

The African American Community Fund was founded by and for the Black community as one way to create opportunities for African Americans in Appalachian Ohio.

The Meigs County Community Fund matched \$300,000 in new gifts – meaning \$24,000 more in grants each and every year for Meigs County!

Our emergency response to COVID-19

\$420,000

awarded through emergency response partnerships and grants

151

nonprofits received support from our Emergency Response Fund to connect people with food, cleaning supplies, personal protective equipment, telehealth, childcare, and much more.

With COVID-19 as an opportunity to act on the digital divide in Appalachian Ohio, here's what we've accomplished so far through *I'm a Child of Appalachia* Fund partnerships:

14 WIFI access points to schools and community organizations (with more to come!)

390 hotspots to libraries

34,000 students with greater access to high-quality classroom supplies, books, and other resources

1,010 books distributed through five summer meal sites to support children during the COVID-19 pandemic

300 social-emotional learning book kits distributed to educators working with students who have experienced trauma

Vision:

For the citizens of Appalachian Ohio to live in a region abundant with possibilities.

I shall pass this way but once;
any good that I can do or
any kindness I can show to
any human being; let me do
it now. Let me not defer nor
neglect it, for I shall not pass
this way again.
