"What I'm doing
by providing books
from First Book is
providing these kids
with knowledge,
power, thought -
a future - and they're
not getting that
anywhere else."

Join the Largest and Fastest Growing Network of Programs Serving Kids in Need

First Book and the Foundation for Appalachian Ohio are supporting educators in the region who serve kids in need by creating access to affordable and free books and resources—everything from new, relevant books to free educator resources, school supplies, technology, winter coats and socks. Sign up for immediate, ongoing access to new books and resources. **Registration is always free!**

4 Proven Ways Members Use First Book

- 1 Build or refresh your classroom library with diverse titles so children can see themselves in the stories they read and learn about others as well.
- 2 Spread the joy of reading. Add bookshelves stocked with high-quality books to community centers, parks, playgrounds, laundromats, barbershops, and anywhere else children can find them.
- 3 Keep a closet at your school or program stocked with basic needs items like hygiene kits and winter coats that children can access when they need them.
- 4 Encourage families to participate at Back-to-School nights and other events by giving families who attend a book to add to their home libraries.
