APPALACHIAN OHIO
Give. Grow. Create.

**Who is a helper in your community in Appalachian Ohio?
Who do you see making a difference in the lives of others?**

Draw a helper in your community, and then describe them below.

If you would like to share your child’s creative answers with our audience, just scan or photograph the completed worksheets. Then, post them on Facebook in a public post and tag the Foundation for Appalachian Ohio, or send them to info@ffao.org.
