

2025 JENCO AWARDS

Nomination Form

The Jenco Foundation Fund at the Foundation for Appalachian Ohio celebrates people who, like Father Lawrence Martin Jenco, have made **a difference in their communities through community service and visionary leadership**. It recognizes the difference everyday people can make when they give of their time, talent and passion to help their neighbors. Established to continue the work of the Jenco Foundation, the Fund offers **individual achievement awards** to recognize visionary leaders and volunteers who have **increased the dignity and sense of worth of people in Appalachian Ohio through creative problem-solving**. The award is open to people of all ages.

The Jenco Foundation Fund intends to make one or more cash awards to Appalachian Ohioans who have performed noteworthy community service outside their everyday work and/or job responsibilities. **Nominations should be for service performed beyond paid positions**. Believing this recognition is important to regional community development, the Jenco Foundation Fund Committee continues to encourage those who give of themselves and inspire others to volunteer in their communities.

Jenco awardees serve their communities across many areas, including **arts and culture, community and economic development, education, environmental stewardship, and health and human services**. Their commitment to the individuals of Appalachian Ohio is not a job; it's a passion.
